Overseas Transactions

The debit card is disabled by default from making any ATM cash withdrawal and purchase transaction as it may be exposed to higher risk of fraud. You may activate the feature by visiting any HSBC/HSBC Amanah branch and/or contacting HSBC call centre. Upon activation, you can use the debit card-i for ATM cash withdrawal internationally via HSBC ATMs and any ATMs under VISA network, subject to the applicable fees.

You need to confirm on the currency when making overseas transaction to ensure that the transaction amount is debited from the desired currency credit balances. For example, if you choose Dynamic Currency Conversion (DCC), the transaction amount will be debited from MYR credit balances despite you have sufficient fund in the supported foreign currencies and will be subject to conversion at the prevailing exchange rate as determined by VISA International or the Bank, in addition to applicable fees and charges. The transaction will be declined if there is insufficient fund in the MYR credit balances.
