1 They've never been happier, but with the increasing commitments and expenses, Damian and Sarah want to make sure that they have a backup plan for the lifestyle they're building together. So, how can they protect their 'happily-ever-after'?

2 With their 9-5 jobs and a busy lifestyle, Damian is glad that FWD Protect Direct is accessible online. He can sign up for Sarah and himself anytime and he only has to answer a few simple health questions!

3 Damian chose the couple plan with coverage of RM300,000 for 30 years. He only needs to contribute RM68.80 every month until the plan expires.

4 5 years later, Damian passed away in a hiking accident. With minimal exclusions, FWD Protect Direct covers for death that occurs due to extreme sports. Thus, Sarah received the benefit payout of RM300,000 which is offered by the plan.

How are we Shariah-compliant?

We manage your contribution and our takaful operations are based on the Shariah contract of Wakalah and guided by our Shariah committee.

Takaful is a mutual assistance scheme based on the spirit of brotherhood and solidarity where you and others agree to assist each other financially if anyone of you suffers a specific loss.

Wakalah is the appointment by one party of another to act on his/her behalf.

We allocate your contributions, less the Wakalah fee into the Participant's Risk Fund (PRF), as tabarru'. Tabarru' is a donation for the purpose of takaful. The tabarru' is used to pay the benefits to entitled claimants who are entitled based on the solidarity of brotherhood and cooperation among the participants and terms and conditions within the certificate.

In case of the good performance of the PRF, we'll be compensating 50% of the surplus as Ju'alah and the remaining 50% will be distributed to eligible participants.

Ju'alah is the reward to the Takaful Operator for the good performance of the participants' risk fund.

If the value of PRF is insufficient to pay the claims, then we'll give Qard which is a benevolent interest-free loan to PRF.
