

HSBC MALAYSIA MOBILE BANKING APP

Perform JomPAY and Bill Payment via HSBC Malaysia Mobile Banking App

- Introducing a new and seamless way of performing JomPay and bill payment on the go with the HSBC Malaysia Mobile Banking App.
 - Log on with your biometrics or 6-Digit PIN. Once you've logged on, select "Move Money" and click on "JomPay" option
-

- To begin, [Step 1] Select the account you wish to make a transfer from, followed by choosing JomPay biller account
 - Next, [Step 2] fill in the required fund transfer details and click on "Continue".
 - Verify your fund transfer details before you click "Confirm".
Now, you are all done!
-

- If you wish to make bill payment to other HSBC billers, return to "Move Money" and tap on the 'Bill payment' option.
 - To begin, select the account you wish to make a transfer from, followed by choosing the biller account
 - Next, fill in the required fund transfer details and click on "Continue".
 - Verify your fund transfer details before you click "Confirm".
Now, you are all done!
-

- You can now make bill payment with our mobile banking app on the go, in just a few taps.
- Download the HSBC Malaysia mobile banking app now from app store or google play store
